

Greetings everybody --- hope you been enjoying the local shows, just finished the Palmerston North Show with just over 1500 birds benched, 500 of them being Budgerigars. Congrats to Rex Baker --- Runner up to Best Champion Yorkshire Canary, Best Open white Yorkshire [Okowhitu Cup] plus a few other specials, and with the Pogsons -- 6th Best Champion CYCR Non-Colour fed --- to you all well done.

General & Committee meetings ----

The general meeting will be at our **NEW VENUE** --- Te Kairanga House, Crn of Laings Road & Blomfield Terrace, Hutt City Cental. [diagonally opposite the Orchid house & the big car park adjust to the Horticultural Hall on Laings Rd] --- it's that oddly shaped, purpose built City Council meeting rooms building.

Meeting(s) to be held on Monday night, July 23rd 2012 --- **Committee meeting at 7pm** and General Meeting at 7.45pm.

Something different for you all --- bring along a bird(s) that is unique or a different colour/mutation, that you have, you can then give a couple of minutes talk about the bird(s) --- often people don't think they have anything different but to other people they do --- so bring something along for all of us to see.
